

***Don't Let
Flu season***

Slow You Down!

IT'S TIME FOR A FLU SHOT AGAIN!

Seniors (60 years and older), people with heart disease, diabetes or other chronic illnesses need a flu shot every year! Pregnant women, health care workers, household contacts and caregivers of children aged <6 months need flu shots too!

The San Bernardino County Department of Public Health Immunization Program sponsors low cost flu clinics throughout the county. Shots are \$5.00. Questions? Call the Public Health Department at
